MODERN INNOVATE

WORKSTATION SERIES

Discover a whole new way to cook, serve and entertain with the workstation series. Offering workstation functionality in the most popular sink material, all workstation sinks are made with 16 gauge thickest stainless steel for commercial grade durability.

Engineered for enhanced functionality, an integrated ledge supports accessories that slide across the sink, streamlining all your kitchen tasks from meal prep to clean up. Custom fit accessories including cutting boards, rolling rack and colander allow you to work right over the sink without taking up an inch of counter space

WORKSTATION DESIGN

Allows you to work directly over the sink saving countertop space

PREMIUM ACCESSORIES

Included with the sink to help you tackle a variety of kitchen tasks

WEAR RESISTANT SATIN FINISH

Smooth easy to clean surface helps resist corrosion and rust

NOISEDEFEND TECHNOLOGY
